LETTER FROM THE PRESIDENT

Dear Attendee,

On behalf of the Canadian Geriatrics Society (CGS), I would like to give everyone a warm welcome to the 42nd Annual Scientific Meeting (ASM). It gives me great joy to get to see everyone in person after three long years of Zoom calls and emails.

The Annual Scientific Meeting Planning Committee has put together an outstanding program based on the theme "Compassionate Care for All: Renewing Our Passion, Recalibrating Our Compass." The last three years have exposed many deficiencies in how Canada cares for older adults and this has been reflected in the content of our program: we have added sessions on professional burnout, advocacy for older adults, and approaches to caring for Canada's diverse and often marginalized older adult population. We are also happy to present a series of fascinating plenary sessions, engaging workshops, and compelling research abstracts carefully selected by our planning committee.

This year we have two pre-conference events planned on April 13th; we are excited to provide a CME day for practitioners who wish to gain practical skills in the care of older adults which runs in parallel with our popular Resident Education Day. We will also have an opportunity to finally meet IRL (in real life), either through formally planned meetings of our Special Interest Groups (SIGs) and committees, or through simply speaking with each other between sessions for the first time since 2019. We look forward to your participation and encourage your feedback as we strive to meet the needs of those who attend.

Finally, if you are not a member of the Canadian Geriatrics Society, please consider becoming one. If you are a member, thank you for your membership! Should you want to get more involved in the activities of the CGS, we are always looking for energetic people, so please contact us at cgs@secretariatcentral.com.

Thank you for joining us in Vancouver - I am anticipating another great meeting! If you encounter any members of the ASM Planning Committee, please thank them for all the great work they have done to create an innovative and varied program.

Sincerely,

Ken Madden
President, Canadian Geriatrics Society

2022-23 CGS Board of Directors

Luxey Sirisegaram, Associate Director-at-Large

LETTER FROM THE CHAIR

Dear Attendee,

Welcome to Vancouver and the Canadian Geriatrics Society's 42nd Annual Scientific Meeting! We are excited to have you all join us for the first in-person meeting since the start of the COVID-19 pandemic.

COVID-19 has challenged us, and continues to challenge us all in different ways. Marginalized groups continue to be more isolated. Many of us are suffering from burnout, fatigue and care provider stress. How do we as clinicians provide compassionate care for all of our patients, yet also take care of ourselves?

Our theme "Compassionate Care for All: Renewing Our Passion, Recalibrating Our Compass" recognizes these challenges and our planning committee has been working hard to provide you with an excellent program. With renowned speakers from across the country (and world), we hope you will leave the conference with new knowledge, renewed passion for serving our seniors, as well as with practical wellness tools that you can incorporate into your work and life. Our resident planning committee has organized a fantastic learning day for trainees, and clinicians and nurse practitioners will benefit from the comprehensive CME day designed for family physicians, nurse practitioners and Care of the Elderly specialists.

Please join me in thanking the members in our planning committee who have worked tirelessly to bring you this year's program.

Thank you for joining us in Vancouver, a city that is situated on the unceded traditional territories of the xʷməθkʷəy̓əm (Musqueam), Skwxwú7mesh (Squamish), and səliłwətał (Tsleil-Waututh) Nations.

We look forward to seeing you soon.

Mark Fok

GENERAL INFORMATION

Registration

Registration is located in the Grand Ballroom Foyer on the Grand Ballroom Level in the North Tower of the Sheraton Vancouver Wall Centre, accessible by escalator, elevator or stairs from the lower lobby level.

Registration Hours

Thursday, April 13, 2023: 16:00 – 19:00

Friday, April 14, 2023: 07:00 – 16:30

Saturday, April 15, 2023: 07:30 – 15:00

Name Badges

Wearing your name badge is mandatory to attend all sessions and meals at the CGS ASM.

Evaluations

You will receive electronic evaluation forms at the end of the conference. Please remember to complete them as it provides valuable feedback for future meetings.

Certificate of Attendance

A certificate of attendance will be issued upon completion of the overall evaluation and sent electronically within 30 business days of the conference.

Internet

Wi-Fi is available throughout the meeting space.

Network: SHERATON-MEETING

Code: cgs2023

Accreditation

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, and approved by the Canadian Geriatrics Society. You may claim a maximum of 10 hours (10 credits) for the ASM and 6 hours (6 credits) for CME Day.

This Group Learning program has been certified by the College of Family Physicians of Canada and the British Columbia Chapter for up to 17.00 Mainpro+ credits.

Overall Learning Objectives

At the end of this conference, participants will be able to:

- adopt strategies for self-care and minimize risk for burnout;
- evaluate opportunities for strengthening the health care of older adults within a strained healthcare system; and
- develop approaches to care for an increasingly diverse and marginalized older adult population.

We invite all delegates to participate in the exhibit hall passport game! By visiting all of the exhibitors, delegates are eligible to win prizes. Please see the registration desk onsite for more information! Visit booths during exhibit times as indicated in the schedule.

FUN RUN

Join Us!

It is never too late to sign up for this fun annual event! The CGS is excited to host the CGS Fun Run/Walk in support of the Canadian Geriatrics Society Scholarship Foundation. Challenge your colleagues to join you on this 5 km run or 3 km walk in Vancouver!

When: Saturday, April 15, 2023, at 6:00 a.m.

Location: Meet in the North Tower lobby of the Sheraton Vancouver Wall Centre

Details: 5 km run or 3 km walk

Entry Fee: \$35.00

We Need Your Support!

The CGS is committed to improving the care of older adults and has decided, through its Foundation, to promote interest among medical students in the practice of geriatrics. Your donation will help the CGS Scholarship Foundation to achieve this objective.

Visit www.canadiangeriatrics.ca/Donate-Now or visit the Registration Desk to donate.

LET'S GO FURTHER. TOGETHER.

Count on insights and solutions focused on the financial well-being of physicians.

Nearly half of physicians in Canada already trust MD Financial Management and Scotiabank Healthcare+ to help them achieve financial well-being at any stage of their career.¹ As a physician, your financial journey is unique — and the advice you get should be, too. Whether you've just been accepted to medical school or you're getting ready to retire, we will understand and anticipate your needs every step of the way.

Learn more about how we help physicians go further.
