

CGS 41st Annual Scientific Meeting

Promoting Resilience in Older Adults

April 7-9, 2022 | Virtual

#CGS2022

Register Today

Accreditation

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada, and approved by the Canadian Geriatrics Society.

This Group Learning program has been certified by the College of Family Physicians of Canada and Quebec Chapter for up to 13.50 Mainpro+ credits – Session ID #196386-001.

Learning Objectives

At the end of the meeting, participants will be able to:

- incorporate evidence based care to improve resilience and health in older adults;
- appraise strategies to improve health care systems for older adults;
- provide equitable and inclusive care for a diverse population of older adults.

Please note –

All times listed in the program are in Eastern Standard Time.

A minimum of 25% of each session will be dedicated to participant interaction.

Friday, April 8, 2022

Time	Event
10:40 a.m. - 10:50 a.m.	Virtual Check-in
10:50 a.m. – 11:00 a.m.	Welcome and Opening Remarks Sharon Marr and Alexandra Papaioannou, CGS 2022 ASM Conference Chairs Jane Rylett, Scientific Director, CIHR Institute of Aging
11:00 a.m. – 11:30 a.m.	Health Care and System Changes for Optimal Care of Older Adults Moderator: Sharon Marr Speaker: Sharon Straus At the end of this session, participants will be able to: <ul style="list-style-type: none">• describe approaches to patient and caregiver engagement in research and health system changes; and• describe potential models of care for older adults and the approach to implementation and evaluation.

Disclaimer: Speaker opinions and presentations are their own and not necessarily supported by the Canadian Geriatrics Society.

#CGS2022

11:30 a.m. – 12:15 p.m.	<p>System Changes Panel Discussion Moderator: Barbara Liu Speakers: Vivian Ewa, Sacha Bhatia, Anne Pizzacalla, Sharon Straus</p> <p>At the end of this session, participants will be able to:</p> <ul style="list-style-type: none"> • discuss emerging opportunities to optimize medical care at home and promote resiliency in older adults; • cite how the social and physical environment can influence individual resilience, using examples from one age friendly community
12:15 p.m. - 12:45 p.m.	<p>Lunch Break <i>Please take this time to visit the exhibit hall, virtual posters or complete speaker evaluations – all accessible in the CGS ASM Portal!</i></p>
12:45 p.m. – 1:50 p.m.	<p>KEYNOTE ADDRESS Delirium, a Barometer for Brain Vulnerability: Clinical and Research Updates Moderator: Alexandra Papaioannou Speaker: Sharon Inouye</p> <p>At the end of this session, participants will be able to:</p> <ul style="list-style-type: none"> • identify the key features of delirium; • describe the multifactorial risk factors for delirium • interpret new developments in measurement and management of delirium.
1:50 p.m. – 2:00 p.m.	<p>Break</p>
<p>Concurrent Block 1</p>	
2:00 p.m. – 3:00 p.m. #1	<p>Future of Long-Term Care Panel Discussion Moderator: Sid Feldman Speakers: Samir Sinha, Samantha Peck, Doris Grinspun, Ashley Verduyn, Benoit Robert</p> <p>At the end of this session, participants will be able to:</p> <ul style="list-style-type: none"> • describe the changes clinicians would want to see in the future of long-term care; • describe what families want to see in the future of long-term care and explain how clinicians can work with families to achieve that future; and • understand the complex medical needs of LTC residents and how hospitals and LTC homes can work together to improve residents’ quality of life.

2:00 p.m. – 3:00 p.m. #2	<p>I Want to Deprescribe but How do I do it? Clinical Pearls for Deprescribing</p> <p>Moderators: Justin Turner, James Silvius Speakers: Sepehr Shakib, Benoit Cosette, Christine Soong</p> <p>At the end of this session, participants will be able to:</p> <ul style="list-style-type: none"> • recognize how to better address deprescribing in their own practices; • formulate strategies to enhance medication optimization for their own clients; and • identify opportunities to deprescribe in the settings in which they practice including using the skills of interdisciplinary team members, as available and appropriate.
2:00 p.m. – 3:00 p.m. #3	<p>Oral Abstract Presentations, Eligible for Thompson Award</p> <p>Moderator: Tricia Woo</p> <p>#1 Predicting Adverse Discharge Destination from Geriatric Rehabilitation: A Retrospective Chart Review Arian Karimi</p> <p>#2 Social Capital, Cognitive Health, and the Epigenetic Clock in Older Canadians Aileen Lang</p> <p>#3 Interviews from an Environmental Scan Exploring Facilitators and Barriers for Perioperative Geriatric Care Models Mubeena Mistry</p> <p>#4 Older Adults Assigned a 'Low Acuity' Triage Score: A Description of Patient Characteristics and Outcomes in St. John's, NL Rachel Price</p> <p>#5 Accessibility of a Virtually Delivered Fall Prevention Program During COVID-19 for Frail Community-Dwelling Older Adults Sophie Weiss</p> <p>#6 Does a Simple Bedside Clinical Frailty Score Predict CPR Survival? Gloria Yu</p> <p>At the end of the session, participants will be able to:</p> <ul style="list-style-type: none"> • appraise recent research projects in geriatrics; • develop critical thinking on results of research projects; and • discuss the implications of recent research projects on current clinical practice in geriatrics.
3:00 p.m. – 3:10 p.m.	<p>Break</p>
<p>Concurrent Block 2</p>	

<p>3:10 p.m. – 4:10 p.m. #4</p>	<p>Orthogeriatrics in Canada – A Practical Approach Moderator: Erica Dempsey Speakers: Ya Jing Liu, Angela Juby, Jenny Thain</p> <p>At the end of this session, participants will be able to:</p> <ul style="list-style-type: none"> • describe the current prevalence of orthogeriatric care in Canada; • recognize the key elements required of an orthogeriatric service; • understand processes through which existing Canadian orthogeriatric services have been developed; and • reflect on the facilitators and barriers to developing an orthogeriatric service in their local context.
<p>3:10 p.m. – 4:10 p.m. #5</p>	<p>Challenging Narratives of Resilience Moderator: Vivian Ewa Speakers: Mireille Norris, Jennifer Walker, Sharmistha Mishra, Joshua Wales</p> <p>At the end of this session, participants will be able to:</p> <ul style="list-style-type: none"> • critically reflect on, challenge and unsettle narratives of resilience and resistance; • understand the connections between cultural safety / humility and building trust; and • recognize power differentials and oppression within the older adult care workforce.
<p>3:10 p.m. – 4:10 p.m. #6</p>	<p>Oral Abstract Presentations, Eligible for the Réjean Hébert Award Moderator: Adrian Wagg</p> <p>#7 Geriatric Specialists Perspectives on Virtual Care during the COVID-19 Pandemic Victoria Chuen</p> <p>#8 Interventions to Reduce Social Isolation and Loneliness in Older Adults: A Systematic Review and Meta-Analysis of Randomized Controlled Trials Peter Hoang</p> <p>#9 Correlates of Anxiety and Depression in Caregivers to Assisted Living Residents During COVID-19: A Cross-sectional Study Natasha Lane</p> <p>#10 Psychiatry Service Utilization Among Older Home Care Clients Differs in Two Canadian Provinces Jasmine Mah</p> <p>#11 Assessing Advance Care Planning Visits in a Residency based Outpatient FQHC Krishna Parikh</p> <p>#12 Pharmacological Management of Agitation and Delirium in Older Adults: A Survey of Practices in Canadian Emergency Departments Natanya Russek</p> <p>At the end of this session, participants will be able to:</p> <ul style="list-style-type: none"> • appraise recent research projects in geriatrics; • develop critical thinking on results of research projects; and • discuss the implications of recent research projects on current clinical practice in geriatrics.

4:15 p.m. – 4:45 p.m.	Social Event – Mixologist It's happy hour at the CGS 2022 ASM! Please join your colleagues from across the country and Mixologist Trevor Burnett for a fun and interactive lesson on how to create two classic cocktails: a mojito and a daiquiri! For a list of ingredients, please click here . *Non-alcoholic drink options will also be available.
4:45 p.m. – 5:45 p.m.	CGS Annual General Meeting (members only)

Saturday, April 9, 2022

Time	Event
10:45 a.m. - 10:55 a.m.	Virtual Check-in
10:55 a.m. - 11:00 a.m.	Welcome to Day Two Sharon Marr and Alexandra Papaioannou, CGS 2022 ASM Conference Chairs
11:00 a.m. – 12:00 p.m.	Where Does Geriatric Medicine fit Post-pandemic?: Evidence and Experiences from the UK Moderator: Sharon Marr Speaker: Adam Gordon, British Geriatrics Society At the end of this session, participants will be able to: <ul style="list-style-type: none"> describe the latest evidence on implementation of Comprehensive Geriatric Assessment across the continuum of care; outline the experience of service developments around care of older people in the community and hospital from the UK; and contextualise service development for care of older people in the context of necessary changes following the COVID-19 pandemic.
12:00 p.m. – 12:10 p.m.	Break <i>Please take this time to visit the exhibit hall, virtual posters or complete speaker evaluations – all accessible in the CGS ASM Portal!</i>
Concurrent Block 3	
12:10 p.m. – 1:10 p.m. #7	Older Adults Living with Dementia Moderator: Heidi Schmaltz Speakers: Jennifer Watt, Zahra Goodarzi, Patricia Hewston, Anthony Levinson, Richard Sztramko, Lisa Raitt At the end of this session, participants will be able to: <ul style="list-style-type: none"> apply the latest research evidence on the benefits of exercise to maintain or improve cognitive health and mobility in older adults; integrate web-based care partner resources into the care of patients with dementia; adopt a 'blended' teaching approach to build on current patient and family education strategies; understand the perspective of a primary caregiver of a dementia patient with neuropsychiatric symptoms; and

	<ul style="list-style-type: none"> discuss recent updates on managing neuropsychiatric symptoms in persons living with dementia.
12:10 p.m. – 1:10 p.m. #8	<p>Creating a better virtual SPACE: Using the SPACE Framework to Audit and Improve your Virtual Teaching</p> <p>Moderator: Thirumagal Yogparan Speakers: Teresa Chan</p> <p>At the end of this session, participants will be able to:</p> <ul style="list-style-type: none"> articulate a framework for auditing your online learning environments to see if there are any missing gaps; describe good practices for teaching synchronously and asynchronously; identify tools and resources for teaching online.
12:10 p.m. – 1:10 p.m. #9	<p>Oral Abstract Presentations, Eligible for the Dr. Jack & Dr. Asa Award</p> <p>Moderator: Jenny Thain</p> <p>#13 Diagnostic Accuracy of Tools for Measuring eHealth Literacy in Older Adults: a Systematic Review Yu Qing Huang</p> <p>#14 Surgical Acute Care of Elderly (ACE) Strategy Rameez Imtiaz</p> <p>#15 Contemporary Attitudes, Knowledge, Practices and Needs of Geriatricians and Residents Caring for Older Surgical Patients Alana Miller</p> <p>#16 Understanding Consultation Patterns of the Inpatient Geriatric Service in Calgary, Alberta Krista Reich</p> <p>#17 Persistence of Overactive Bladder Therapies in Frail Older Adults Luxey Sirisegaram</p> <p>#18 The Effect of Age and Obesity Severity Assessed by Edmonton Obesity Staging System on Weight Loss Corita Vincent</p> <p>At the end of the session, participants will be able to:</p> <ul style="list-style-type: none"> appraise recent research projects in geriatrics; develop critical thinking on results of research projects; and discuss the implications of recent research projects on current clinical practice in geriatrics.
12:10 p.m. – 1:10 p.m. #10	<p>In Conversation with the CIHR Institute of Aging - Towards the New 2022 Strategic Plan</p> <p>Speaker: Jane Rylett</p>
1:10 p.m. – 1:40 p.m.	<p>Lunch Break and Networking Sessions</p> <p><i>Please take this time to visit the exhibit hall, virtual posters or complete speaker evaluations – all accessible in the CGS ASM Portal!</i></p> <p>Networking Break – Virtual Round Tables</p>

	<p><i>For this session, registered delegates will be able to choose a virtual round table to allow for small group networking. Each round table will be moderated. Participation is encouraged in this valuable networking opportunity! Please note: each room has a 100 person capacity.</i></p> <ul style="list-style-type: none"> Improving the Health & Wellness of the Geriatric Services Workforce Moderator: Elizabeth Rhynold <i>Let's meet to share and sort potential health & wellness initiatives into the Stanford WellMD Model of Professional Fulfillment™ dimensions: Culture of Wellness, Efficiency of Practice and Personal Resilience. Further, we can summarize these into Spheres of Concern, Influence and Control and provide the summary to the CGS executive</i> Gender, Equity and Diversity Moderators: Lesley Charles and Elizabeth MacDonald <i>Share experiences around equity and diversity as well as discuss how this can be furthered in the industry and within the CGS.</i>
Concurrent Block 4	
1:40 p.m. – 2:40 p.m. #11	Mental Health Update: Depression, Anxiety, and Substance Abuse in Older Adults Moderator: Amy Freedman Speakers: Sophiya Benjamin, David Conn, Jonathan Bertram At the end of this session, participants will be able to: <ul style="list-style-type: none"> apply information from salient studies in the assessment and management of anxiety disorders in older adults; describe new recommendations in updated Canadian guidelines for depression among older adults; and describe new updates in Substance Use Disorder education, screening, assessment and management anchored to the Canadian Coalition for Seniors' Mental Health (CCSMH) Guidelines on Substance Use Disorders among Older Adults.
1:40 p.m. – 2:40 p.m. #13	Post COVID-19 Condition Moderator: Heidi Schmaltz Speakers: Lindy Romanovsky, Alexandra Rendely, Angela Cheung At the end of this session, participants will be able to: <ul style="list-style-type: none"> discuss learnings from the CANCOV study; describe the common post covid symptoms seen in older adults and the role rehab plays in management of post covid symptoms.
1:40 p.m. – 2:40 p.m. #13	Oral Abstract Presentations, Eligible for the Cowdry Award Moderator: William Gibson #19 Impact of Prehabilitation on Functional Outcomes following Total Joint Arthroplasty for Osteoarthritis: A Systematic Review and Meta-analysis of Randomized Controlled Trials Tony Adebero #20 Opioid and Non-opioid Analgesic Use in Older Orthopaedic Rehabilitation Inpatients Aaron Bilek

	<p>#21 Exploring Patterns of Physical Activity, Sedentary Behaviour, and Sleep in Community-Dwelling Older Adults Living with Frailty Milothy Parthipan</p> <p>#22 Association Between Non-English Preferred Language and Restraint use Among Patients with Delirium Christina Reppas-Rindlisbacher</p> <p>#23 Frailty Prediction Using Doctor's Communications in Primary Care System: eConsult Arya Rahgozar</p> <p>#24 The Impact of Advanced Age on Prosthetic Rehabilitation Gait Outcomes Following a Lower Limb Amputation Ashvene Sureshkumar</p> <p>At the end of this session, participants will be able to:</p> <ul style="list-style-type: none"> • appraise recent research projects in geriatrics; • develop critical thinking on results of research projects; and • discuss the implications of recent research projects on current clinical practice in geriatrics.
Transition Break	
2:50 p.m. – 3:35 p.m.	<p>Dementia Friendly Hospitals Moderator: Alexandra Papaioannou Speaker: Frank Molnar</p> <p>At the end of this session, participants will be able to:</p> <ul style="list-style-type: none"> • describe the declining availability of hospital beds in Canada; • outline the impact of hospitalization on persons living with dementia and on hospital metrics; and • understand the essential elements of an acute care dementia strategy.
3:35 p.m. – 3:55 p.m.	<p>CGS Awards, Poster Awards, Oral Abstract Awards Ronald Cape Distinguished Service Award Peter McCracken Physician Innovator in Education Award Honorable Mention of Recognition CGS-Pfizer Continence Research Award The Dr. Jack and Dr. Asa Award Willard and Phoebe Thompson Award Edmund V. Cowdry Award Réjean Hébert Canadian Institutes of Health Research - Institute on Aging Prize Top 3 Poster Awards</p>
3:55 p.m. – 4:55 p.m.	<p>Top 10 Papers Moderator: Dov Gandell Speakers: Luxey Sirisegaram, Peter Hoang, Krista Reich, Jenny Huang</p>
4:55 p.m.	<p>Closing Remarks Sharon Marr and Alexandra Papaioannou, CGS 2022 ASM Conference Chairs</p>

Poster Abstracts

This year the CGS posters will be presented electronically in the CGS ASM portal. All posters will be accessible to registered delegates and will include an electronic poster and a video description. The poster portal will be accessible at leisure. For a complete list of posters, see below. **Thank you to the Canadian Institutes of Health Research – Institute of Aging for supporting the trainee posters.**

POSTER #	POSTER ABSTRACT
25	COVID-19 Outcome: Comparison Between Older and Younger Adults Ripa Akter, Kristine Kim, Allen Huang
26	What are the Differences in Health Service Use Between Persons with Dementia Living in Rural and Urban Areas in Quebec? Geneviève Arsenault-Lapierre, Tammy Bui, Claire Godard-Sebillotte, Nadia Sourial, Amélie Quesnel-Vallée, Victoria Massamba, Louis Rochette, Debra Morgan, Julie Kosteniuk, Isabelle Vedel
27	The Geriatrician’s Perspective on Attending A Former Patient’s Funeral: a qualitative study. Vincent Aubin, Steve Paquet, Pierre J. Durand, Félix Pageau
28	Opportunistic Biomarkers of Frailty from CT Imaging in Patients with Suspected COVID-19 Neetika Bharaj, Pablo Solla Suárez, Jeremy Obrand, Jessica Chetrit, Fayeza Ahmad, Sarah Lantagne, David Morrison, Xiaoqing Xue, Marc Afilalo, Brent Richards, Jonathan Afilalo
29	Physical Exercise with Cognitive Training and Vitamin D Supplementation Improves Brain Connectivity in Older Adults with Mild Cognitive Impairment (MCI). Results from the SYNERGIC Trial. Nick W Bray, Suzanne T Witt, Robert Bartha, Timothy J Doherty, Lindsay S Nagamatsu, Quincy J Almeida, Louis Bherer, Teresa Liu-Ambrose, Laura Middleton, Manuel Montero-Odasso
30	Describing Healthcare Utilization for Men and Women Living with Dementia in Quebec Tammy Bui, Claire Godard-Sebillotte, Genevieve Arsenault-Lapierre, Victoria Massamba, Louis Rochette, Isabelle Vedel
31	The GeroCast Project: Delivering Living Cases in Geriatric Education through Podcasts Julie Cameron, Klodiana Kolomitro, Nancy Dalgarno, Jennifer Turnnidge, Lucie Pelland, Mohammad Auais
32	Ending PJ Paralysis: A Quality Improvement Initiative. Frances Carr, Angela Morgan, Shehani Devapura, Christina Williams, Jennifer Symon, Carolyn Howe-Riddell, Angela Miller, Jennifer Boone, Kevin Ebbage, Shalmin Jadaviji, Pamela Mathura
33	Decision-Making Capacity Assessment (DMCA) Toolkit Lesley Charles, Jasneet Parmar, Brémault-Phillips Suzette, Ashley Pike, Bonnie Dobbs, Peter George Tian
34	Prediction of Rehabilitation Needs After Aortic Valve Replacement Jessica Chetrit, Nicolo Piazza, Michael Goldfarb, Giuseppe Martucci, Lawrence Rudski, Marco Spaziano, Jean-Francois Morin, Kevin Lachapelle, Yves Langlois, Jonathan Afilalo
35	Usability and Impact of an Online Psychoeducation Program for Normal Age-Related Memory Changes Among Older Adults

	Danielle D'Amico, Iris Yusupov, Lynn Zhu, Jordan W. Lass, Brian Levine, Susan Vandermorris, Angela K. Troyer
36	Co-Designing Patient Safety Conversations in Long Term Care Vivian Ewa, Jennifer Lee, Chris Jones, Abram Gutscher
37	Reporting Exercise Principles in Exercise Intervention Programs for Community-Dwelling Older Adults with Fear of Falling: A Systematic Review Chengying Feng, Tony Adebero, Vincent DePaul, Afshin Vafaei, Kathleen Norman, Mohammad Auais
38	Prevalence of Frailty Among Hospitalized Older Adults in New Brunswick, Canada: An Administrative Data Based Study Molly Gallibois, Kyle Rogers, Chris Folkins, Pamela Jarrett, Sandra Magalhaes
39	Applying Patient Oriented Research in the Context of Long-term Care: Development of a Diverse Stakeholder Knowledge Translation Network Kirstian Gibson, Yuchen Gao, Katherine M. Ottley, Thomas Qiao, Ivy Myge, Roslyn M. Compton, Abigail Wickson-Griffiths, Paulette V. Hunter, Saskatchewan Long-Term Care Network
40	Health-seeking Behavior Related to Selected Dimensions of Wellness in Community-Dwelling Older Adults Navjot Gill, Denise Connelly
41	Care and Health Services Use in Community-Dwelling Persons with Dementia: Is Quebec Achieving Equity? Claire Godard-Sebillotte, Genevieve Arsenault-Lapierre, Tammy Bui, Nadia Sourial, Amélie Quesnel-Vallée, Victoria Massamba, Louis Rochette, Isabelle Vedel
42	Opioid-Induced Neurotoxicity As The Culprit For Recurrent Falls: A Case Report Bradley Godwin, Ripa Akter
43	Using a Social Ecological Approach to Understand Transitions from Hospital to Home for Frail Older Adults. Natasha Hanson, Emily Kervin, Leanne Skerry, Pamela Jarrett, Rose McCloskey
44	Geographic Variation in Bone Mineral Density and Prevalent Fractures in Canada Nazila Hassanabadi, Claudie Berger, Alexandra Papaioannou, Angela M Cheung, Elham Rahme, William D Leslie, David Goltzman, Suzanne Morin
45	Access to Community-Based Specialized Geriatric Care in Ontario: Proposing a Decision-Support Tool to Facilitate the Referral Process Sophie Hogeveen, George Heckman, Kelly Milne, John Hirdes
46	Utility of practical office-based assessment versus DXA Body Composition for identification of low muscle mass in Seniors. Angela Juby, Christopher Davis, Suglo Minimaana, Diana Mager
47	A study of primary care providers' use of eConsult in frailty care: uncovering the tip of the iceberg Sathya Karunanathan, Giovanni Bonacci, Celeste Fund, Allen Huang, Benoit Robert, Tess McCutcheon, Deanne Houghton, Erin Keely, Clare Liddy
48	Leading to Achieve Integrated Care in Geriatrics Kelly Kay, Valerie Scarfone, Jennifer McLeod
49	Perspectives of Chinese family caregivers' access to health and social services for their older loved ones in the Greater Toronto Area: How grit may be key

	Charlotte Lee, Doris Leung, Sammy Y.J. Chu, Franco Ng, Paige J. Wen, Jiayue Fan, Daphne S.K. Cheung,, Lisa Seto Nielsen, Sepali Guruge, Jason Wong
50	Validity, reliability, and acceptability of the CanMEDS "Resident as Teacher Multisource Feedback" assessment tool Janice C. Lee, Jenny Yu Qing Huang, Camilla L. Wong
51	Assessment, Treatment, and Documentation of Malnutrition in the Geriatric Population Bianca Leuzzi, Joshua Raymond, Melissa Edgar, Anand Shah, Zeeshan Khan, Maria Ciminelli
52	LTC Outreach Nurse Practitioners: Covid-19 wave 1 to vaccines and beyond Cheryl Levi, Judy Etele, Kathryn May, Barbara Torkornoo, Hidetake Yamanaka
53	Web-Based Dementia Foundations Program Improves Knowledge Significantly in Personal Support Workers (PSW), PSW Trainees, and Care Companions: Results from a Pilot Study Anthony Levinson, Stephanie Ayers, Lori Mosca, Alexandra Papaioannou, Sharon Marr, Richard Sztramko
54	Nationwide Survey of Orthogeriatric Care Models in Post Hip Fracture Patients Age 65 and Older Ya Jing Liu, Dana Trafford, Jenny Thain, Alexandra Papaioannou, George Ioannidis
55	Frailty and Point-of-Care Ultrasound Measures of Muscularity in Older Adults Kenneth Madden, Boris Feldman, Shane Arishenkoff, Graydon Meneilly
56	Withdrawn
57	Withdrawn
58	Bringing the Topic of Driving Cessation to the Forefront with the Driving and Dementia Roadmap (DDR) Gary Naglie, Elaine Stasiulis, Harvir Sandhu, Christina E Gallucci, Mark J Rapoport
59	Understanding how frailty is addressed in the training of perioperative specialists: A scoping review Shara Nauth, Gabriella Jacob, Jenny Thain, Jaspreet Bhangu
60	Engagement and attitudes towards advanced care planning in primary care during COVID-19 Solveig Nilson, Matthew Bzura, Haidar Kubba, Steven West, Lori Schramm, Adam Clay
61	Health care savings associated with harm reduction services for older people: an interrupted time series analysis Lara Nixon, Mark Hofmeister, Amity Quinn, Fadzai Moreblessing Punungwe, Megan Sampson, Martina Kelly, Kerry McBrien, Rita Henderson, Neil Drummond
62	Listening for a chaos narrative: a qualitative study to improve harm-reduction care for older people with experiences of homelessness Lara Nixon, Megan Sampson, Ashley McInnes, Fadzai Moreblessing Punungwe, Rita Henderson, Martina Kelly
63	Virtual medical education's impact on learner engagement during the COVID-19 pandemic Junghyun Park, Olivia Geen, Dana Trafford, Batoul Alwazan, Xuyi Mimi Wang, Joye St. Onge
64	Engaging Multi-level Interdisciplinary Stakeholders in Co-design of Competency-Based Education: Stepping towards integrated supports for family caregivers

	Jasneet Parmar, Glenda Tarnowski, Gwen McGhan, Myles Leslie, Lyn K. Sonnenberg, Lesley Charles, Cheryl Pollard, Sharon Anderson, Tanya L'Heureux, Denise Melenberg
65	Correlates of Anxiety among Alberta Family caregivers After 18 Months of the COVID-19 Pandemic Jasneet Parmar, Tanya L'Heureux, Bonnie Dobbs, Sharon Anderson, Peter George J. Tian
66	Describing wait times associated with access to Geriatric Medicine consultation in the outpatient setting in Ontario, Canada Paula Pop, Loretta Hillier, Jennifer Siemon, Sharon Marr
67	An observational study of the correlation of frailty severity with mental health Reshma Rasheed, Yathorshan Shanthakumaran, Anjali Patel,
68	Influence of Policy on Potentially Inappropriate Medications in Seniors: Case studies from Canada Maha Rehman, Justin Turner, Mathieu Charonneau, Cheryl Sadowski
69	Frailty and urinary incontinence Kenneth Rockwood, Ali Muhammad, Olga Theou
70	Point prevalence of delirium in the Halifax Infirmary on World Delirium Awareness Day, March 17th, 2021. Alexandra Rogers, Karen Nicholls, Samuel Searle
71	Launching PILUTS: A Pharmacy Intervention Study to Improve Lower Urinary Tract Symptoms Cheryl Sadowski, Yazid Al Hamarneh
72	Caregiver Experience of Driving Cessation in Dementia: Results from the Alzheimer Society of Saskatchewan Driving and Dementia Project Caregiver Survey Dena Sommer, Patti Kelm, Elaine Stasiulis, Mark J Rapoport, Gary Naglie
73	Risk factors associated with contracting COVID-19 and mortality in a long-term care facility during its first outbreak. Michael Sun, Manveer Bal, Barry Clarke, Melissa Andrew, Kenneth Rockwood, Samuel Searle
74	Perspectives in the use of "Failure to Thrive" in hospitalized older adults: a qualitative study Clara Tsui, Robynn Lester, Keeva Lupton, Krista Lagimodiere, Martha Spencer
75	Pioneering older adult research in community pharmacies: Insights into barriers and facilitators Julia Vu, Yazid Al Hamarneh, Cheryl Sadowski
76	Using Implementation Science to Promote the Use of the Fascia Iliaca Blocks in Hip Fracture Care Camilla Wong, David Mackinnon, Sharon Straus, Stephen Chan, Sarah Ward, Nick Lo, Kyle Silveira, Elikem Togo, Jeanette Cooper, Keelia Quinn de Launay, Vivian Law, Marjorie Hammond, Christine Fahim
77	Canadian Geriatrics Society (CGS) 2021 Aging Care 5 M competencies for Graduating Canadian Medical Students Thirumagal Yogaparan, Shrujan Rai, Tammy Bach, Sylvia Bell, Sid Feldman, Martin Moran, Lara Khoury, Karen Ng, Jenny Thain, Jeff Smallbone, Elizabeth Macdonald, Dilpriya Mangat, Cindy Grief, Cheryl Sadowski, Catherine Talbot-Hamon, Alishya Burrell, Anicha Vickneswaran
