

CGS Resident Education Day Program

Thursday, April 20, 2017

Facilitators: Dr. Barbara Liu and Dr. Tricia Woo

Resident Education Day Goals

- To complement the geriatric medicine curriculum delivered by programs in Canada to meet Royal College objectives of training.
- To provide an update in the management of geriatric patients with certain chronic conditions.
- To facilitate discussion around current topics in geriatrics and provide networking opportunity for trainees.

Time	Event	Location
